

# Introducing your new taxi booking device

- 1 Press the button to order a taxi**  
A taxi will be ordered immediately. Press the button again to order another taxi simultaneously.

- 2 See when the taxi is arriving**  
As soon as a driver accepts the order, an estimated time of arrival will be displayed. The booking will turn green once the driver is outside.

## labelling a taxi

Simply press the X button to cancel the most recent taxi.
